

REMARKS

Claims 1 and 2 are currently pending in the present application. It is gratefully acknowledged that the Examiner has found this application is in condition for allowance, and prosecution has been closed by the Examiner under *Ex Parte Quayle*, since the application is in condition for allowance except for formal matters. In the Office Action, the Examiner has objected to Claim 1 because of informalities.

Regarding the objection of Claim 1, the Examiner asserts that the acronym "RFB" in Claim 1 should be fully defined at its first occurrence. Accordingly, Claim 1 has been amended above to define "RFB" as "Radio Frequency Block (RFB)".

In view of the preceding amendments and remarks, it is respectfully submitted that this application is in condition for allowance. Should the Examiner believe that a telephone conference or personal interview would facilitate resolution of any remaining matters, the Examiner may contact Applicant's attorney at the number given below.

Respectfully submitted,
